

About Me

I am a marketing and sales enthusiast with a passion for innovation, creativity, and people-centered solutions. With experience in sales, marketing, entrepreneurship, and leadership, I thrive in roles that combine problem-solving with relationship-building to drive growth and create lasting impact. I bring both strategic thinking and hands-on execution to deliver results that matter.

Leadership Experience

NWU SAIEE Chapter | 2023 - 2025

Chairperson & Incorporator

- I serve as Chairperson of the SAIEE (South African Institute of Electrical Engineers) NWU Student Chapter, supporting engineering students through industry visits, educational events, and helping them access bursaries and vacation work opportunities.

Jonno Create (Pty)Ltd | 2020 - 2023

Director & Incorporator

- Jonno Create (Pty)Ltd was a Graphic Design, Photography and Software development company that provided clients with the quality of memories to treasure forever. I worked directly with clients to ensure that their dreams are replicated with precision!
